

Ideal for businesses in need of a mobile check printing solution. **The portability of this unit is its most unique quality**, providing satellite, mobile, and remote office locations with the ability to **print checks on the go**.

Compact & Lightweight

Weighing only nine pounds, this printer is ideal for travel and can print checks virtually anywhere.

Quality & Reliability

In times of crisis, this inkjet solution provides the quality and reliability to serve your clients.

Efficiency & Security

Eliminate fraud risks associated with theft of preprinted check stock by printing the MICR line and other details at the point of issue.

Captivating User Experience

Easy-to-use control panel with a plug and play setup focuses on the importance of the user experience.

- Simple mobile printing
- Easy setup
- Long lasting battery
- Perfect for mobile workers printing:
 - Insurance claim checks
 - Payroll or expense checks
 - Realty checks and more...
